GOLFERS START SEASON

The Drayton Valley Golf Season is underway with early birds out getting in a few swings over the weekend. The course is reported to be in good shape.

First major item of the new golfing season will be the men's open tournament scheduled for May 27th and 28th with a dance and chicken fry in the curling rink. Entry fee for golfers is $8.00 with $2.00 for each guest.

The open will be preceeded, weather permitting, by the curling club golf tournament on Saturday, May 6th. The tournament will be held the same day as the curler's Centennial Ball.

New members are welcomed by the golf club. Single memberships are $25; family, $40; and junior $10.

Membership forms are available from Ken Gillis, Howard Ganske, Gunnar Neilson, Tom Henderson, Stan Metelski and Doug Goble.

Wallet Return Earns Girl $10

Wendy Medwed, 12, daughter of Mr. and Mrs. W. Medwed of 5151 - 50th Avenue is $10 richer this week as a result of having sharp eyes.

On Monday of last week Wendy spotted a wallet on the ground in the alley behind the Elks Hall and found it contained $120 (not the rumored $1200.)

The owner, Marvin Thyre of Lindale, who lost the wallet a few days earlier, rewarded Wendy's honesty in turning it over to the police, with the $10 bill.

Planning Advances For Summer Rodeo

A meeting in the Cardium Room on the evening of Wednesday, April 26th between the executives of the Chamber of Commerce and the Maverick Roping Club ironed out many of the details surrounding the July rodeo to be held this year for the first time.

The name Klondike Kampers Karnival was voted out and the name of the event will now be the Drayton Valley Klondike Stampede. The rodeo, to be held at grounds now being prepared at Sekura Auctions, will be an all-amateur undertaking that is hoped to attract riders and stock from the surrounding countryside.

The stampede will be preceded by a downtown parade to be organized by the Chamber of Commerce. A midway will be set up on the rodeo grounds and dances on Friday and Saturday evening are also planned.

The rodeo will be held on the same weekend as the Whitewater Canoe Race, Saturday, July 22nd.

Hosts Needed For Voyageur Canoe Pageant

A circular letter went out from the Centennial Committee this week seeking support of local clubs and organizations for activities during the visit of the Voyageur Canoe Pageant.

Members of the canoe teams will be hosted individually and the committee is now seeking a large number of people who will act as host to a member of one of the teams.

A giant outdoor barbecue will be held on 52nd street between the Centennial Centre and the Curling Rink (or inside the curling rink if weather is unfavorable).

Groups of tables with banners indicating the province of the canoe team, will be set up at the site, and hosts will sit at these tables with their guests. After supper the host will again be required to escort his guest to the official ceremonies which will take place in the Centennial Civic Centre.

Final duty of the host will be to entertain his guest for the balance of the evening. Entertainment will be provided free of charge all evening in the Centennial Civic Centre with Bobby Gimbey as the main attraction.

The host will be required to purchase a barbecue ticket for his guest at a cost of $2.50.

The Centennial Committee would like to hear from organizations and individuals prepared to host a member of the team for the evening. Replies should be sent to Bert Telford, Box 128, who is in charge of this aspect of the canoe pageant.

Beware, so long as you live, of judging men by their outward appearances.

$2,000 Bingo Friday

Put May 5th on your calendar for the big $2,000 bingo sponsored by the Drayton Valley Lions Club.

The bingo, to be held in the Centennial Arena, will feature ten $100 prizes and $1,000 for the winner of the final game.

A $50 door prize will be awarded to the holder of the lucky number drawn from presold tickets. Tickets are now available from club members at $5.00 each.

Trophy Winners

Winners of the Robin Hood Most Valuable Player awards are shown above receiving their trophies and crests. At the left Ross Macleod, a Pee Wee hockey coach, makes the presentation to Lenny LaChance who played for the Lions last winter. At the right is Bobby Hall, a member of the Rotarians, who received his trophy from Recreation Director Mike Gormley, standing behind the boys.

Scout Leaders Invested

Claude Gould of Whitecourt conducts the oath taking of scout leaders in Drayton Valley last week. From the left are Jack Heyland, Mr. Gould and Jack O'Rourke, District Cub Master. The four leaders being invested are, from the left, Andy Kolodiazny, Assistant Cub Master, Dale Cartwright, Scout Master, Ian Hoyland, Scout Master and Larry Polowka, Assistant Scout Master.

St. Anthony's Plan Centennial Program

A Centennial program is planned for St. Anthony's School at 8:00 p.m. on Thursday, May 4th.

The program will consist of a square dance by the Grade 1 class, the play, "Frontier Mortician" performed by the Grade 8 class and a play adapted from Wayne and Schuster, "The Julius Caesar Caper" put on by the Grade 9 and 10 pupils.

There will also be a number of selections by St. Anthony's Glee Club which recently performed at the Kiwanis Music Festival in Edmonton.

Admission will be adults 75¢ and children 50¢.

Glee Club Enters City Festival

The Glee Club of St. Anthony's Junior-Senior High School was a competitor in five events in the Kiwanis Music Festival held during the week of April 24th to 28th in the Jubilee Auditorium in Edmonton.

The selections and results were: First, Latin Chant, 82 marks and English Hymn, 83 marks; Second, Restless Wind, 75 marks and Young Canada; Second, Come Home, John, 80 marks and Meuniers, tu dors. 84 marks; McGee Family Cheery Song, 77 marks; and the Meraw Family, Spring; Welcome Spring, 77 marks.

The adjudicator's remarks were critical as well as gratifying. Some of the remarks were that the general tuning was good, tonal qualities were very well blended, and words were clear and well formed. However, the Glee Club was advised to work for better choral sounds and a sense of flow in the words.

Sister Marie Gabriel is the Glee Club director and Mrs. Haack was pianist.

In the scale of marks, 75 represents a performance that is good, 80 represents merit, 85 represents distinction and 90 represents honors.

ARDA PROJECT OUTLINED

Mrs. Pat Sheehan, assistant Regional Resource Co-ordinator, Edson Regional ARDA (Agricultural Redevelopment Association) office was the guest speaker at the April meeting of the Drayton Valley Chapter, Alberta Association of Registered Nurses.

Mrs. Sheehan informed the group present about the ARDA pilot project, an educational program for low socio-economic families in the Hinton-Edson-Whitecourt area. The project will combine Health, Family Relationships and Homemaking skills in a total family approach.

"The primary objective of this program is to reach homemakers of low socio-economic families not presently being reached by agencies involved in adult education," Mrs. Sheehan said. "These families usually have trouble maintaining their homes according to acceptable community standards. They very often have health problems due to poor sanitation, nutrition, health practices and may also have deficiencies in the area of family relationships and money management."

She noted, "The first step is to help families improve their standards of health, homemaking and family relationships. The next step is to encourage these families to take a more active part in ongoing programs for the family, including youth activities for the children."

It will be the home maker-teacher (home visitor) from the same culture as the family but who has been successful in her own home who will bring this service to the families in need of help in the previously mentioned areas. To prepare the non-professional home visitor a team consisting of a home economist, public health nurse and social worker will provide an initial training period and will be continuously available to provide technical assistance to the home visitor.

"It has long been recognized by professional people that programs of assistance to families and homemakers in particular, are not reaching those people who most need the help. This program is an attempt to go to these families rather than waiting for them to come to us," Mrs. Sheehan said.

The next regular meeting of the A.A.R.N. will be held at 8:00 p.m., Wednesday, May 10, 1967, in the Nurses Residence, Drayton Valley. The meeting will be primarily a discussion of business.

Ford sales are still breaking records

"Hit us now!"

Record Ford sales mean record Ford deals!
Come in today!

This is your best time to buy a new Ford. Right now, you can get a better deal from your Ford dealer on every car he sells—because Ford sales are increasing all across Canada—and setting all-time records in many areas. The result is a better deal for you.
But there's another reason for buying a new Ford, besides the better deal you can get. It's the quality you get in Fords. This quality is the reason more and more people are switching to Ford from other makes. It's something you can sense the moment you begin a test drive in a new Ford. And it's something you can count on mile after mile, year after year.
See your Ford dealer today. Check the quality that comes with Ford's famous Quiet Ride and then check the better deal you can get!

Homesteading in Thirties Described

The second part of Mrs. Davey's account of homesteading in the bush country follows.

By Mrs.
Fanny E. Davey

During the summer the men spent some time improving the roads, and their labour went toward paying the taxes. At last the road became good enough for trucks to come down to haul logs and cattle. It was a great event when we shipped our first load of steers, even though beef was only about 3 cents a pound on foot. Still we got enough cash to buy some much needed winter clothing and a set of harness.

One of our neighbors did not fare so well, he could not get a bid at all on his stock, so he walked them home from Edmonton and had to sell his rifle to pay the trucker who took them in.

Though we did not get much for our produce, commodities we could not raise were cheap too, and as we always had milk, eggs, meat and vegetables, we were never really hungry, though there were times when I would have liked something special from the store.

In the words of an old Swede things were not always as bad as they were sometimes. We were seven miles from the Reno Hall and attended monthly dances there in the winter. Men were admitted for a quarter and ladies for a cake or sandwiches. At Christmas there was always an impromptu program with treats for the children, and in summer a picnic. The Hall is no longer there, but the old Reno school is still standing and has become the centre of social activities.

Almost every quarter was now occupied so plans were soon underway to organize another school district. Again the settlers worked together, giving generously of their time, talents and material. I am a bit hazy about the date but I think the school was built in the early months of the second war. Anyway it was called "Victory". It was three miles from our place and Arthur and our next door neighbor who had a little girl of school age, cut a trail through the muskeg for the girls.

In winter, Arthur usually drove them in the mornings (the neighbor had no horses) but they walked home. In the spring they often had to miss school as the muskeg wasn't safe for them to walk through. Dorothy was eleven by the time, but I had had correspondence lessons for her for some time.

All this time my husband had gradually been beating the bush and he was able to plant his grain with a seed drill and cut it with a binder. Our first grain was threshed by a portable engine and separator without even a hand cutter. Each year a few more acres of arable land was added, but our first three sizable crops were hailed. Two in July grew again sufficiently to make green feed, but the last one in late August was a total loss. Everything was beaten into the ground, and the trees were leafless.

That was the year Social Credit swept into power. It was the leanest winter I remember, but we lived on hopes that "next month" we would get that promised twenty-five dollars. We made do without it somehow, and after that things took on a brighter hue. We were able to add a large living room with two upstairs bedrooms to our original "shack", and had built a barn with a huge hay loft.

We were constantly on the lookout for fires, for settlers had to fire their bush land in the spring to prevent undergrowth. Sometimes a fire would travel underground through the muskeg and pop up weeks later several miles from where it had started. Three times we had to backfire and fight fire, but only a miraculous change in the wind saved our buildings.

In 1941 Arthur had an opportunity to sell the homestead so we moved into Evansburg and he went into war work. I did not really want to leave, I hated to see the stock sold to others for I was attached to them all, some were special pets, but I realized that the children would have an opportunity to get a better education.

Now a wide gravel highway runs right past our gate and buses take the children to school in Evansburg. Calgary Power is rapidly pushing its services into the very heart of the district, and some of our old neighbors even have telephones, a far cry from conditions in the hungry thirties.

This narrative would not be complete without a special mention of some of the real old timers--"Dad" Neighbor, Hank Hermanrude, Guy Lamoureux, Mrs. Kimball and Archie Robillard, all who had settled there many years before we did, and who with their families did much to make our homesteading years more enjoyable.

Message to Dog Owners

Everyone's thoughts are now turning toward gardening and lawnworking. After the long white and dreary winter it is so nice to start thinking about planting seeds and seeing green grass, shrubs, trees and plants coming to life and flower again. Everyone of us knows this feeling and appreciates the re-awakening.

However, there are so many things that can and do violate these natural happenings.

Some we do not have too much control over but others we do have complete control over. And we would like to mention one of these hazards that we have control over. That is the damage occasioned by the thoughtless gamboling dog, the digging dog and the just playful trespassing dog.

Dog owners would you take an extra moment or two to ensure that your dog is not going to get out of your control and away to bother your neighbor or for that matter somebody in another corner of the town. Remember as much as you have pride in your particular yard and its contents the other fellow next door, or down the block or across town also has that pride in his holdings. Won't you do everything in your power to ensure that it won't be your fault that it is destroyed or messed about.

Enforcement of the regulations are all right in their way but how much nicer and simpler is it to have everybody conscious of his or her responsibility to their fellowmen.

We know you will heed this plea if you will only put yourself in the place of the other fellow and know his problems and his feelings when your dog so efficiently makes a shambles of his efforts.

Plan Study of Land Use For Forestry, Agriculture

A renewal program, Forest Land Use Capability Classification, is to be continued under the ARDA program.

Alberta Agriculture Minister H.E. Strom, and Federal Forestry and Rural Development Minister Maurice Sauve have announced approval of the proposed land use study at a total cost of $22,825, of which the Province will pay $11,413.

The appraisal is necessary to formulate plans for the orderly development and assignment of lands to their proper use, and will assist the Alberta Department of Lands and Forests in determining which lands should be used for agriculture and which for forestry. It will also establish guidelines for adjustments to the Province's "Green Zone" boundary, which can have a direct effect on the ARDA land use program.

In the development of this land capability inventory and subsequent land use classification, priority will be given to those areas where the demand for agricultural expansion has necessitated an immediate appraisal of land capability.

Aerial photos will be interpreted and maps prepared at a scale of 1 inch equals two miles, with land capability and land use overlays.

The project is to be carried out by the Forest Surveys and Planning Branch of the Alberta Forest Services, assisted by the Forest Surveys and Planning Branch of the Alberta Forest Services, assisted by the Lands Branch of the Department of Lands and Forests, in consultation with other Provincial departments.

Couple Feted At Farewell Party Sunday

On Sunday evening following the evening service of All Saints Anglican Church, members of the church and friends gathered in the Parish Hall to say farewell to Mr. and Mrs. Jack O'Rourke who are leaving the community after twelve years.

During the evening interesting slides were shown by Mr. and Mrs. Roy Burrows.

Rev. Ingram expressed his appreciation for the work Mr. O'Rourke had done as lay reader of the church and presented a gift to the departing couple for which Mr. O'Rourke replied.

The evening was brought to a close with the serving of a light lunch.

21 Bulls Sold at Sale

First annual bull sale by West Alta Livestock Breeders Association held April 22nd at Sekura Auctions in Drayton Valley proved quite successful with twenty-one bulls selling for an average price of $369.

This year's sale was rather hurried, with the association formed only a few weeks before the sale. Plans are already going ahead for next year's sale which the association expects to be much larger.

Eleven two-year old bulls were sold at an average price of $414 and ten yearlings at an average of $321. Two Black Angus heifers entered by Leonard Aubrey of Highway, Alberta sold for $235 each.

Top price of $465 for a two-year old Hereford bull went to the Cormie Ranch of Tomahawk. Buyer was Ed Schadeck, also of Tomahawk.

Top price of $440 for a yearling Hereford bull went to Leo Miko of the Dougle Gear Ranch, Evansburg. The bull was bought by John Kabeluck of Thorsby.

MacKenzie Angus Farms of Drayton Valley received the top price of $355 for a yearling Angus bull bought by G. Hecht of Edson.

The top price of $330 for a Shorthorn yearling bull went to Mrs. Stella Joneson of Tomahawk. Purchaser was Clarence Kelly of Drayton Valley.

Some bulls sold locally with others going to buyers from Edson, Thorsby, Berwyn, Entwistle, Peers, MacKay, Duffield, Tomahawk and Sunnybrook.

Boners!

In last week's bull sale report we goofed. The bull shown being inspected by the culling committee was submitted by Leo Miko of the Dougle Gear Ranch of Evansburg, not Otto Miko as reported.

The bull, a fine example of the good Hereford stock being raised by Mr. Miko, later went on to sell at the top yearling price of $440. The bull was purchased by John Kabeluck of Thorsby.

Dr. Horner Nominated

Dr. Hugh Horner, Member of Parliament for Jasper-Edson has been nominated provincial Progressive Conservative candidate for Lac Ste. Anne.

Dr. Horner said he will resign from the House of Commons of which he has been a member since 1958, before May 9.

He was unopposed in receiving the nomination at the m meeting held in Sangudo Friday.

Earlier, he announced that he was withdrawing from national leadership race to join Peter Lougheed's provincial team.

The riding of Jasper-Edson disappears under the federal re-distribution system.

Members of the Lariat Gymkhana Club are reminded of the work party to be held at the Drayton Valley gymkhana grounds on Saturday, May 6th, starting at 10:00 a.m. Plans are to paint and have a general clean-up of the grounds.

Please bring a rake, hammer or brush. Lunch will be served. All members are urged to make an effort to attend.

Back Yard Elk Herd

Wilf Townsend who lives a mile south of Rocky Rapids Store got a bit of a surprise one morning recently when he glanced out the kitchen window to see four elk strolling through his back yard, a about 100 yards from the house. Mr. Townsend works in Drayton Valley as a mechanic at Mayhew Motors.

TOP SHORTHORN

The yearling Shorthorn shown above was the top of the breed at the recent Drayton Valley bull sale. It was sold by Mrs. Stella Joneson of Tomahawk to Clarence Kelly of Drayton Valley for $330. From the left are H. Joneson, Clarence Kelly and Wendy Sekura.

New Town of Lodgepole

THE PLANNING ACT 1963

Take notice that the Council of the New Town of Lodgepole proposes to pass a zoning by-law pursuant to Section 119 of the said act.

The purpose of the proposed by-law is to regulate the use and development of the land within the town in accordance with the said act.

A copy of the proposed by-law may be seen at the Town Office and may be inspected by the public at all reasonable hours.

At 10;00 a.m. on Wednesday the 17th day of May 1967, the Council will cause a public hearing to be held at the Town Office at which time objections to the proposed by-law may be made and discussed.

Dated at Lodgepole this 21st day of April 1967.

E. T. PROEHL,
Secretary-Treasurer.

Park Use Increased Thirty Percent in 1966

Public use of Alberta's Provincial Parks increased almost 30 percent in the seven-month summer season of 1966, according to a recent announcement by the Hon. Henry A. Ruste, Minister of Lands and Forests. There were 3,455,909 park users from April to October, inclusive, compared with 2,664,911 in the same period last year.

During the summer season, the largest park in the system, 78-square-mile Cypress Hills in southeastern Alberta, maintained its lead in attendance, with 635,639 visitors. In the same seven months of 1965 there were 541,320.

In second place, and gaining rapidly, was Aspen Beach on Gull Lake, west of Lacombe, whose 69 acres accommodated 560,665 persons last sum- mer. In July alone, Aspen Beach attendance of 361,951 exceeded its record for the entire previous year, which was 360,825. At its peak period during the summer Aspen Beach park entertained 22,000 visitors at one time.

Other parks in the above 100,000-visitor category during the summer season, were Wabamun Lake, 328,665; Park Lake, near Lethbridge, 186,853; Miquelon Lake, in the Camrose area, 182,516; Bow Valley, in the foothills west of Calgary, 151,367, and The Vermilion, near the town of Vermilion, 120,942.

Of interest to this area is attendance at the Pembina River Park at Entwistle which rose from 43,225 in 1965 to 53,901 in 1966.

TOMAHAWK LIBRARY MEETING

The Tomahawk Community Library met in the library on Tuesday, April 25th with eleven members present.

It was decided to order 500 memorial book marks from the Alberta Printer.

The president, secretary and Bina Berryhill are to attend the Community Club meeting which is to be held on Monday evening, May 1st to discuss the different ideas and suggestions from the clubs in Tomahawk for the July 1st picnic and perhaps a Centennial parade.

This was our libraries tenth anniversary, and for this special occasion we invited the teachers of the Tomahawk School to join us for lunch.

Rummage Sale

Evansburg Kinettes have announced plans for a rummage sale to be held in the Evansburg Hotel basement on Saturday, May 13th from 10 a.m. to 5 p.m.

A sale of home baking will also be held at the same time and the draw on the bedding raffle will take place.

Confirmation Service Held

On April 23rd ten young people were received into Communicant Membership at Emmaus Lutheran Church by the Rite of Confirmation. Confirmed were: Lillian Drewes, Martin Drewes, Monika Freier, David Getzinger, Gregory Metzger, Michael Mueller, Mardell Pederson, Joyce Rendflesh, Terry Sharkey, and Kenneth Strauss.

Pastor Drawbaugh conducted the traditional examination of the Catechumens and gave Confirmation to each with the Laying on of Hands. He was assisted by the President of the Congregation, Mr. Wilbert Liske.

After the Rite of Confirmation had been administered, the Catechumens received First Communion. The Children's Choir, under the direction of Mrs. Ted Schuman, exhorted the Catechumens to continue steadfast in the Faith as they sang, "O Jesus, I have Promised." 282 people were in attendance.

TOP HEREFORD

Top price for a Hereford bull at the recent bull sale in Drayton Valley was $465 received by Cornie Ranch of Tomahawk for a two-year old. Buyer was Ed Shadeck of Tomahawk (left) above with auctioneer Wendy Sekura.

VIOLET GROVE NEWS

Mrs. Elsie Arndt,
Correspondent.

Among those who were confirmed at the Confirmation Services held in the Lutheran Church in Drayton Valley on Sunday, April 23rd was Kenneth Strauss, son of Mr. and Mrs. C. Strauss. Pastor Drawbaugh performed the confirmation ceremony.

Following the services, a family reunion took place at the Strauss home, where members of the family from Bruderheim, Edmonton, Fort Saskatchewan, Barrhead and Swan Hills, gathered together for a very enjoyable afternoon.

The Roy Teeter family motored to Wainwright over the weekend to visit relatives and friends.

Get well wishes are extended to Mrs. Ken Landers who has just returned home after spending a few days in an Edmonton hospital.

It looks as though the flu bug has bit the community again and several of the school children are home sick. Special get well wishes to Doreen Bieglow and to the Obst children who are among those hit by the bug.

Also to Mrs. Deciccio, we're so glad to hear you are home from hospital and feeling better. I take the opportunity to extend get well wishes toyou on behalf of all your friends especially the wee folks of the community to whom you have done so much toward their future welfare.

Rev. Ingram Guest Speaker At C.W.L. Regular Meeting

The monthly C.W.L. Mass preceded the May 1st meeting which was held in the Cardium Room with 25 members, 12 guests, director Rev. Father Lynch and guest speaker, Rev. G.E. Ingram in attendance.

The evening got underway with a brief business meeting that included Father Lynch thanking the retiring executive for their fine work and presented the gavel to the new president, Patty Tomaszewski.

It was decided that hospital visitors would now be taken in alphabetical order from the roll call.

Final plans were made for the Mother's Day Bake Sale wnich will be held on May 13th at the Hudson's Bay Store. In the church bulletin parishioners will be asked to donate some article of baking for the bake sale.

Following the meeting a delicious supper was served compliments of Father Lynch. Father Lynch then introduced the guest speaker, Rev. G.E. Ingram who gave a very enlightning talk on Christian Unity and expressed his thanks in being asked to speak to the C.W.L.

The very enjoyable evening ended with C.W.L. members renewing their memberships for 1967 and adding seven new members from the guest list.

1 **SO COMPACT AND PORTABLE**
More cleaning power and efficiency than larger washers — and it's compact! Keep it in the kitchen, the bathroom — even in a closet.

2 **NEEDS NO PLUMBING**
Needs only a faucet and a drain to start washing. No expensive installation, no cumbersome plumbing necessary. Think of the saving!

3 **USES LESS THAN 9 GALLONS OF WATER**
Yes, less than 9 gallons of hot water—and less detergent, too! And you can reuse the hot water and suds for a second or third load if you wish.

4 **TOTALLY UNIQUE WASHING ACTION**
No cumbersome agitator to waste space. The unique 'pulsator' forces water and suds through the clothes. It's safer for delicate things, more efficient for heavier clothing.

5 **RINSES AND SPIN-DRIES FASTER, TOO**
High-speed spinner removes soapy water in seconds. Clothes can be rinsed in the spinner, then spin-dried thoroughly. (Lighter things are dry enough to iron!)

6 **SO QUICK YET SO THOROUGH**
Even heavily soiled work clothes come out cleaner in less time, too. Hoover's pulsator washing action and exclusive design take the work and the dirt—out of washday.

Lutheran Church News

Congratulations to Pastor and Mrs. G. Drawbaugh on the birth of their son, Timothy. Mrs. Drawbaugh was honored by many friends with a baby shower Tuesday evening the 25th of April.

Congratulations are also extended to the ten young people confirmed Sunday, May 23rd. Carnations were supplied with best wishes from the Ladies Aid.

A painting bee at the Lutheran Church has greatly enhanced the appearance of the church interior. Many thanks to all of the men that helped with this work as well as a thankyou also to the Ladies Aid for supplying the paint.

A spring cleaning will be held in the afternoon of May 15th and 16th. We ask all who find it possible to lend a hand.

A set of altar paraments has been ordered in the green bemberg silk to be used during the trinity season of the church year.

Recipe books of "Favorite Meat Dishes" are available and may be purchased from any of the aid members. Ladies this is a tremendous book of recipes.

A set of 4 Bible Commentaries is being purchased by the book club for the church library.

Several AoQuan playsuits were sewed by the ladies to be sent to children of South Viet Nam. These suits, made of sturdy cotton fabric, are cut to a simple pyjama pattern. We would ask all to bring in the suits they have sewed as we would like to send them on.

Open House Sunday

Town and area residents are reminded of the "Open House" to be held at St. Anthony's in Drayton Valley on Sunday, May 7th from 1:30 to 3:30 p.m.

Tours of the church and rectory will be conducted and coffee and tea served in the church hall.

High School Bowling

The high school bowling season is now over. The high girls average throughout the year was held by Shirley Huber with a 162 average and Sonia Urchyshyn with a 155 average.

The high boys average throughout the year was held by Pat Hurley with 212 average and Jim Chenray with a 175 average.

The Ronnettes, an all girl team, took the trophies for top points. Those girls who received the trophies were Eunice Tows, team captain, Joyce Hallett, Lynn Ratzloft, Margit Neilson, Fern Combs, and Shirley Huber.

The roll-offs lasted for two weeks. The highest team total for four games took the trophies. The totals were: Goof Offs, 3248; Blow Hearts, 3202; Ronnettes, 2949; Safety Pins 2948; Strikers, 2767; and Dissorderlies, 2766.

The Goof Offs took the trophies. The players on that team were Pat Hurley, team captain, Jo-Ann Devey, Fay Bohnet, Louise Waddell and Carol Remple.

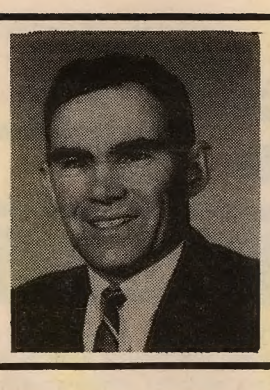
Recreation Round-Up

By
Mike Gormley



BASEBALL SOON

If we get seasonal weather within the next week we plan to get going on our Minor Baseball program. Registration forms for all levels are now available at the Recreation Office and all interested persons are asked to register at the earliest possible opportunity. Because of the late season we are already well behind schedule as compared with other years. Consequently we have a bit of catching up to do in order to get in a reasonable season. In general the season closes around July 1st because of the holidays, which does not leave a great deal of time.

This year we hope to have baseball at every level from Mite through Midget. At this time sufficient interest seems to be lacking at the Juvenile level, however, should a Juvenile team be formed, all concerned can be assured of the co-operation and support which will be required to make the season a success. Intra-town leagues will be established in the Mite and Pee Wee categories. The number of teams will depend on the interest in the sport and consequently the players registering at each level. Mite ball includes boys from six to ten years of age while Pee Wee takes in the ten to twelve age group. There will be a Pee Wee and a Midget team competing in the North Saskatchewan Valley Minor Baseball League. Our Bantam team will not take part in league play because of the lack of suitable competition. This team, however, will play a series of exhibition games against any suitable and available competition throughout the season. The Bantam category will involve boys between twelve and fourteen years of age while the Midget ranking includes the fifteen and sixteen year old group.

The North Saskatchewan Valley League opens for both the Pee Wees and the Midgets on Friday, May 12th. Our Pee Wee team will travel to Breton for the opening game while our Midget entry into the league will entertain Warburg at the Lions West Valley Park diamond the same evening.

There will be more about this league and the teams involved next week. Presently we need players and we need coaches for every team which will be playing ball this season. Players are asked to register as early as possible. Anyone interested in coaching baseball at any level should contact the Recreation Office or Drayton Valley Athletic Association President, Clayton Rosenberger. Your community needs your help in this very important work.

FASTBALL LEAGUE

A meeting of persons interested in men's softball will be held Wednesday evening in the Recreation Office. The purpose is to form an intra-town league similar to the one which was in operation last season. Representation from Pan American, Pembina Pipeline, Pembina Meter and possibly one or two Church groups are expected to make up the teams in this league.

The idea of a town league for men's softball first came into being in 1966. A six team league was formed and the season was a very successful one. This year it is hoped that the organization may progress from last year's operation and further develop into an exciting and keenly competitive league.

Nearly half of South America's 162,000,000 people live in Brazil, and that country's population is increasing by more than one million a year.

Attends Anniversary Convention

Dr. Bob Findlay was in attendance last weekend in Edmonton when the Alberta Chiropractic Association celebrated their 50th anniversary and had their annual business meeting. In regard to the latter event, Dr. Findlay was nominated to a Council position and lost the election by a very narrow margin to the former vice-president.

In honour of the 50th anniversary, several fine speakers were present, among them Dr. Dean Miller who is president of the American Physical Fitness Association and among other responsibilities, is in charge of keeping the U.S. astronauts in top shape.

Dr. Miller is presently engaged in the program of solving the problem of body deterioration due to periods of inactivity in an atmosphere of weightlessness on extended space flights. More down to earth, he has proven through his research that the entire condition of the body can be changed in nine months through his exercise program, using only six minutes per day, and that the cardiovascular improvement is almost unbelievable.

Another of the speakers was Dr. Carl Cleveland, one of the foremost researchers in the chiropractic field. Dr. Cleve Cleveland reported on his own program where he has been able to produce and correct many diseased conditions in controlled laboratory experiments using rabbits, by deliberately creating spinal nerve root pressure by means of specially designed 'striker splints', doing this as a way of proving the ciropractic principle.

Also on the program of speakers was Dr. A.A. Adams, President of the American Chiropractic Association and Dr. Catherin Ponder.

Rematch Planned

Harvey "Buck" Jones lost through disqualification but retained his Western Canadian Heavyweight Championship in a wild and wooly wrestling match with the Hangman last Saturday night. The bout was the feature attraction of a boxing and wrestling card held at the Centennial Civic Centre sponsored by the Pembina Boxing Association under the direction of the Association president, Lorne Gauley. Some 832 persons were in attendance.

A rematch between Jones and the masked one has been arranged and will take place on June 3rd in the Centennial Civic Centre.
